

MINOR HOCKEY ASSOCIATION

Dear Sponsor:

Please accept this letter as a thank you for your generous contribution to the Springbank Timbits "Young Guns" Pond Hockey Festival that ran January 10th to 12th, 2014.

There were 24 participating teams and over 400 5-6 year old hockey players each playing three games over the weekend. The players and coaches all had a great experience. We were fortunate enough this year to have a photo booth at the event for a few hours. This was a huge hit for the players and their families.

Volunteers are critical to the success of minor hockey and this festival was no exception. Your donation allowed us to provide a great experience for the kids either through generating revenue to fund the festival or contributing to the kids treat bags and snacks. Its amazing how excited the players get when they get those treats and of course their trophy.

Yours in hockey,
