CHALLENGING LEARNING DISABILITIES

December 10, 2010

*The students of Foothills Academy express their sincere
thanks to*

Tucker Hockey

*For your kind support of our 26th Annual Fall Funtasia
Fundraiser*

Fall Funtasia 2010, our 26th annual Fundraising gala was a success, with well over 900 guests and volunteers enjoying the evening on October 23rd, 2010.

Thank you to all of our guests, community supporters, sponsors, volunteers, parents and staff who made this evening so memorable and such a financial success.

It is estimated that the contribution from the evening including the car raffle will be approximately \$200,000 towards our tuition reduction program to ensure that no child is turned away due to financial circumstances. If you know any family, friends, or co-workers whom you believe might have a learning disabled child who deserves the opportunity for a successful education program at the academy, please have them visit our website www.foothillsacademy.org or contact the school office directly at (403)270-9400.

Please accept our warmest wishes for the Holiday Season!!
