

## Thank you to all

On behalf of the Properties Sports Hockey Association, we would like to extend a heartfelt thank you to all players, coaches and parents for participating in this year's annual tournament.

PSA supports the practice of fair play, good sportsmanship and respect.

Our focus while organizing this tournament is to ensure that all players have FUN and the coaches, parents and friends enjoy the experience.

To all PSA volunteers who are very supportive and worked endlessly, a special thank you. Your efforts to ensure this event is a memorable experience for all our young hockey players have not gone unnoticed and you are to be commended for your dedication and performance of a job well done.

### What is A Hockey Player?

- Between the innocence of childhood  
And the dignity of an adult,  
We find a creature called A Hockey Player
- Hockey players come in assorted weights,  
Heights, jersey colors and numbers,  
But all Hockey Players have the same creed  
To play every second of every period of every game  
To the best of their ability.
- Hockey Players are found everywhere  
Underneath, on top of, skating around,  
Falling over, passing by, twisting from,  
Or stick handling through the enemy.
- Teammates rib them, officials penalize them,  
Students and fans cheer them,  
Kid brothers and sisters idolize them,  
Mothers worry about them and Dentists love them.
- A Hockey Player is courage on skates,  
Hope in a helmet, pride in pads  
And the best of youth in a jersey and breezers.
